

# PLAN AUTO SHOW FOR MONTH OF MAY

Local Dealers to Give Parade and Three Day Display.

A grand automobile parade and special displays for three days following in practically every sales-room in South Bend, instead of an automobile show at Springbrook park during fair week, was the decision of the South Bend Auto Dealers' association, in session Thursday afternoon at the Oliver hotel.

It was planned some time ago to hold an auto show during fair week at the park, but, owing to the fact that the show would come during the best part of the business season, it was considered not practical, since too much time would be spent by experts on the grounds.

Opening on May 2. The opening day will be Wednesday, May 2, and a big parade of new cars by something like 25 or 40 dealers in South Bend will be the feature. It is probable that special features will be arranged. There will be plenty of music. The parade will probably form at 2 o'clock and pass through the principal streets of the city. Following it each dealer will open an individual show in his sales-room. These displays will be attractive in every regard and the general public is invited to attend them. The show will last three days.

The dealers are also planning on taking part in the festivities during Centennial week, and a parade will probably be one feature of that week. Any other arrangements which the dealers can make with the centennial committee will be gladly considered by them for that occasion.

Form Temporary Organization. A temporary organization of the dealers was effected Thursday afternoon and the following temporary officers selected: Charles Frazier, chairman; Harry Hinkle, secretary, and T. J. Harkle, assistant secretary.

A permanent organization of the dealers will be effected at a meeting to be held next week at the Oliver hotel, and officers will be elected at that time.

## MUSIC TEACHERS LOOK FOR BANNER MEETING

Final Plans Made as Session Last Night—All Reported Favorable.

Opening with a reception and banquet Thursday evening, April 27, the two-day convention of the Indiana Music Teachers' association will be an event in musical history. Talent of note from a number of places has been procured and, to add greater local interest, some of South Bend's artists are to appear.

Mayor Keller and Mayor Gayler of Mishawaka and their wives have been asked to attend the banquet, as also have Dr. and Mrs. C. A. Lippincott.

A final business meeting of those interested in the success of the occasion was held last evening at the South Bend Conservatory of Music, when the committees on finance, entertainment, rooms, etc., reported conditions exceedingly favorable.

To South Bend and Mishawaka people who were instrumental in bringing the convention here much credit is due for their efforts in creating enthusiasm. Max Miranda was appointed publicity man to succeed W. Preston MacIntyre, who was elected president.

Announcement was made from the conservatory Thursday night that anyone paying the associate membership dues would be admitted as an associate member of the teachers' association and that those musically inclined were urged to join.

The final rehearsal of the string quartet that is to give one of the numbers on the program will be held Tuesday evening at the high school auditorium.

## POST K, T. P. A., TO MEET

To Instruct Delegates for State Convention.

Post K, Travelers' Protective association, will meet Saturday evening at Boyler hall in regular session when instructions will be given to the 10 delegates who will attend the annual state convention of the Travelers at Kokomo, May 5 and 6.

A strong argument will be made at the convention to again place Thad Keller on the state board of directors, which position he holds at the present.

The entertainment to have been given Saturday evening will be postponed because of Easter services, until April 29, when a program of music and short talks will be given. Refreshments and dancing will also be on the program.

## ATTEMPTS SUICIDE

Bert Henderson, E. Ohio st., received word Thursday night that his brother at Indianapolis had attempted suicide by drinking poison and that there was small chance for recovery. Henderson is employed by the local street railway company. Few details of the case were available last night.

## SCHOOLS FLOODED

SHELBYVILLE, Ind., April 23.—A rain storm of unusual violence occurred here late Thursday. Some of the schools closed because of the flooded basements and streets.

## Something New in Town From "The Land of the Long Leaf Pine"

**VAP-ORUB**

Thyme and Eucalyptus, that are inhaled with each breath through the air passages to the lungs, loosening the phlegm and soothing the inflamed membranes. In severe cases, first apply hot wet towels to open the pores. "Vap-O-Rub" is then absorbed through the skin, taking out that tightness and soreness.

The progressive druggists here are anxious that their customers who are troubled with asthma, catarrh, bronchitis, tonsillitis or any form of cold trouble, should try this new treatment, though their profit on it is smaller than on internal medicines. They are, therefore, offering "Vap-O-Rub" in three sizes—25c, 50c or \$1.00 on 30 days' trial. Your money back if you are not delighted.

Local Druggists are Selling 25c Jars on 30 Days' Trial—Money Back If Not Delighted.

Every year thousands of people suffering from forms of lung trouble, make a pilgrimage to the pine barrens of North Carolina, "the land of the long leaf pine." The reason lies in the warm, dry air, spiced with the odor of the long leaf pine.

Local druggists, however, have recently received a treatment that is almost as good as a trip South. This is Vap-O-Rub Salve, the invention of a North Carolina druggist. When applied over the throat and chest the body heat releases vapors of Menthol, Camphor, Pine Oil,
